Welcome to Lyme Central School!

We are excited to welcome your family to our school and community. Lyme Central School uses ParentSquare for school communications. It is an engagement tool that helps teachers and staff to communicate with parents and students in a single platform. You will receive all school classroom and group communications that apply to your student(s) via email, text or app notification.

How ParentSquare Works

1. Teachers & staff share school-related news on ParentSquare.
2. Parents & guardians receive, respond, sign up and get automated reminders in their preferred language!
3. Everyone has easy access to all interactions in one place.

With ParentSquare you choose your preferences on when and how you are notified. Here's just some of what you can do with ParentSquare:

- Receive all school, classroom and group communication via email, text or app notification
- See important calendar events and RSVP
- See photos, links and attachments
- Sign up to volunteer or bring items
- Send private messages to teachers or staff
- Appreciate those who post messages

New users should go to this link (<https://www.parentsquare.com/signin>) and create an account using the same email/ cell phone number that is on your registration form. You will begin receiving notifications within 24 hours after your student's start date.
